

JOIN OUR TEAM AS A PSYCHOLOGIST!

Are you a compassionate psychologist looking to make a meaningful impact in a unique healthcare setting? Our busy dermatology practice is seeking a talented psychologist to join our team on a part-time basis (Flexible schedules ~1-5 days a month depending on needs).

At Saskatoon Dermatology Centre, our mission is to deliver comprehensive medical, surgical and aesthetic Dermatologic care to all our patients and clients using the most up to date scientific evidence, experience, and best clinical practices. Our facility and caring Dermatologists strive to do this in a comfortable, and safe environment by promoting wellness, confidence and natural beauty.

Our team is currently searching for a hard working, friendly, self-motivated Psychologist who may have a special interest in working with patients who have damaged self-esteem, anxiety, depression, picking disorders, scarring conditions, or have otherwise negative feelings towards themselves due to a skin related condition.

WHY CHOSE US?

- **Collaborative Environment:** Work alongside Dermatologists and healthcare professionals in a supportive team environment.
- **Flexible Hours:** Enjoy the freedom to set your own working schedule, including Monday-Fridays 8am-5pm. Some evenings and/or weekends may also be available to accommodate you and your patient needs and lifestyle.
- **Fee-for-Service Billing:** Direct billing to patients for your services that they could then submit receipts to second or third party insurance.
- **State of the art medical facility:** Access to private, clean, relaxed clinical rooms for one-on-one or group therapy sessions, including clinic support staff and patient care coordinators. Secure EMR to access and store confidential patient information.
- **In-Office Benefits:** access to discounted skin care products, services, and procedures.

YOUR ROLE:

- Provide counseling services to patients dealing with various skin conditions, helping them cope and manage their emotional well-being.
- Potential to see your own existing patient populations seeking psychological support in addition to Dermatology clinic patients.

- Opportunity to deliver individual and group treatment for conditions including anxiety, trauma, depression, somatic complaints, substance misuse, etc related to skin conditions such as acne, psoriasis, hidradenitis suppurativa, alopecia, eczema, skin cancer, scarring, picking disorders, and others.
- Develop new mental health program content for the unique needs of these various client groups
- Become a local, provincial or national expert in treating patients with various skin conditions and substantially improve the lives of these patients.

QUALIFICATIONS:

- Licensed psychologist with experience in counseling and therapy.
- Ability to work independently and collaboratively within a multidisciplinary team.
- Empathy, patience, and a genuine interest in helping patients achieve better mental health outcomes related to their concurrent skin conditions.

If you're ready to bring your expertise and passion to a dynamic healthcare practice that values patient care and professional growth, we'd love to hear from you!
